

PROFESSIONAL SUMMARY

Trust & Safety and Operations Specialist with **6+ years** of experience in content moderation, identity verification, and policy enforcement. Proven track record in high-volume environments (Meta, Google projects) with **98%+** accuracy. Skilled in cross-functional collaboration, fraud detection, and process optimization. Bilingual in English and Gujarati.

EXPERIENCE (6 YEARS)

ASSOCIATE (TRUST & SAFETY) | GENPACT, Hyderabad Jun '24 – Present

- Reviewing **~20 pieces** of user-generated content daily, including posts, images, videos, and comments (**80% in English** and **20% in Gujarati**) using proprietary client tools to flag and remove content violating platform policies.
- Monitoring and actioning content primarily for nudity, harassment, impersonation, and false user reports; ensuring compliance with platform community standards.
- Investigating **15-17** account-related cases per day, including user complaints about harassment, compromised accounts, or content takedowns. Restoring **2-4** accounts daily after verifying non-violation.
- Handling impersonation cases and collaborating with Policy, Trust & Safety, and QA teams to resolve complex escalations and maintain user integrity on the platform.

SENIOR ASSOCIATE (DOCUMENT VERIFICATION) | TECH MAHINDRA, Hyderabad Dec '19 – Jun '24

- Annotated **8-10** data points daily in Gujarati and English to train Google's language AI models on how humans read (from single words to full documents) using client tools in a **200+** member team.
- Verified **110-120** user-submitted IDs daily (e.g., passports, licenses) to determine age eligibility across Google platforms, maintaining **98%** accuracy and mentoring **5-6** new members in a **120-150** member team.
- Built a centralized playbook detailing accepted and deprecated documents by country, enabling **200+** reviewers to quickly detect fraud patterns and improve process speed and consistency.
- Served as acting Subject Matter Expert (SME) for **8-12** months, guiding **15-20** team members, resolving document review queries, conducting quality checks, and assisting team leads in preparing attendance and performance reports.

ADMIN SUPPORT EXECUTIVE | ACME CONSULTING (Part-time) Hyderabad Oct '18 – Apr '19

- Spearheaded daily recruitment outreach by initiating **~30** targeted calls, securing candidate interest, and coordinating interviews that directly enabled timely onboarding for critical roles during the firm's growth phase.
- Created and delivered **15+** engaging visual assets (posters, reels, and animated videos) using Canva and animation tools to support marketing campaigns and internal branding initiatives.
- Drove a **20%** increase in client visibility by executing tailored content strategies across social media platforms, effectively elevating the firm's brand presence and audience engagement.

SKILLS

- **Technical Tools:**MS Excel (Advance), Vlookup, PowerPoint, Word, Canva, Animaker, G Suite, internal CMS/moderation tools
- **Core Competencies:**Content Moderation, Community Guidelines Enforcement, Policy Analysis, KYC Verification, Fraud Detection, Escalation Handling, Account Restoration, SME Training, Root Cause Analysis

ACHIEVEMENTS

- Received the **ACE Award** from Tech Mahindra for ranking in the **top 20** of **200+** employees, recognized for consistent excellence and customer satisfaction.
- Received the **Bravo Award 3 times (top 1 out of 20+)** at Tech Mahindra for exceptional quarterly performance.
- Earned the **Pat on Back Award** twice as the top performer among **200+** employees for outstanding performance
